

TECHNICAL SHEET 04.01.28-EN

DECOR Crystals gel

Silver decorative glitter in gel

1. Description, Application

DECOR Crystals gel is a component of the system for creating the DECOR Crystal decorative technique. DECOR Crystal 0.65 I is a refined and prestigious decorative finish intended for interiors. It is distinguished by an exceptional shine and crystal sparkle, created by opaque pigments that provide natural dark and light shades. It is ideal for enhancing style in modern spaces, public facilities, and private residences. It is non-flammable and becomes resistant to washing three weeks after application.

2. Colour Shades

- sparkling silver crystals

3. Technical data

Packaging	50 g
Density	1.01 kg/dm ³

4 Preparation

Add DECOR Crystals gel (component B) to DECOR Crystal 0.65 I (component A) which has been tinted to the desired shade and mix by hand. After the 2 components are mixed, the product must be used within 15 days. For additional information about the decorative technique, see the technical sheet of the DECOR Crystal.

Storage and transportation at temperature +5°C to + 25°C, protected from the direct sunlight, out of reach of children, **MUST NOT FREEZE!!**

Durability when stored in originally sealed and undamaged packaging: at least 12 months.

6. Other Information

Technical instructions are given based on our experiences and are given as a guideline for achieving optimal results. We cannot take any responsibility for the damage, caused by incorrect selection of a product, incorrect use or unprofessional work. JUB also bears no responsibility in cases where the substrate for the application of our products is prepared inadequately or with materials of inadequate quality from other manufacturers. In the case of applying our products to existing substrates of old coatings or pre-prepared substrates with materials from other manufacturers, it is obligatory to make appropriate test fields with all the intended applications of JUB products, in accordance with the technical instructions, before starting the work.

Safety measures: Follow the instructions on the safety data sheet of the product.

This technical sheet supplements and replaces all preceding editions. JUB reserves the right to change and supplement data in the future.
